See attached. I did not see Ellen's note about formatting until now.

Hi Stephanie,

I listened to your message. **Personal Matters / Ex. 6** If additional people are going to still be making changes to the document, they should do that as soon as possible and I can then fix the formatting as the final step. I am attaching what she sent me. I have not worked on it yet. For the kind of formatting fix she wants, it should be done at the end, not in the middle.
